Mr. Dhundiraj Bhandari Chairman Damak Multiple Campus Damak-9, Jhapa

Dr. Netra Bahadur Budhathoki Campus Chief Damak Multiple Campus Damak-9, Jhapa

Message from the Chairman

We would like to take this opportunity to welcome all the students, guardians, parents, well-wishers and academicians at Damak Multiple Campus. We have predetermined goals, mission, and vision for the development of the campus to transform it as an academic hub in eastern region of Nepal. Sincere plaudits from UGC, Nepal, the local communities, stakeholders and beneficiaries have motivated us to strive continuously in our endeavours to achieve the targeted goals. Damak Multiple Campus provides a platform to its students and teachers for excellent digitized teachinglearning activities. Furthermore, the campus promotes different research works and innovative ideas. It helps them build their personal career by enhancing academic excellence. We focus on burning issues and challenges of the society; we believe in shared interests and teamwork. Our dedication and diligence have been fruitful for holistic development of this institution.

Damak Multiple Campus aims at uplifting the communities socially and academically. It is a community-based academic institution that has been rendering a great service to the communities for four decades. It has an affordable fee structure. The campus gives an equal opportunity to all the students to have an access to education. We are moving steadily towards achieving a broader goal: " Our commitment and responsibility with human feelings towards the society". We hope Damak Multiple Campus will succeed in achieving all that it stands for.

Thank you

Message from the Campus Chief

It is our great pleasure to welcome all the students at Damak Multiple Campus. We also like to extend our good wishes for their successful career. DMC has its own reputation and glorious history as an institution for academic excellence. Its extensive infrastructure, well-equipped science and computer labs, updated library, computerized office set-up, physical facilities and the quality of education materialize aspirations of the students.

DMC offers diverse academic programs that fulfil needs and interests of the students as well as requirements in the job market. It offers opportunities that help to shape their future career and establish themselves in the competitive job market. It also inculcates socio-economic, ethical values and a sense of responsibility in the students. DMC has always been recognised as an academic institution that has carved a niche for itself with continuous efforts and huge investment in resources that have created an adaptable and conductive environment to all the students with different backgrounds. The campus ensures that all the students get knowledge in the open and homely environment. Its large and excellent infrastructure makes it possible to execute various activities and programs for all-round development

Highly qualified, experienced and dedicated faculty members are academic professionals who motivate and help students improve their learning capability with innovative teaching methodologies, develop decisionmaking and freethinking skills. We focus not only on teaching-learning activities but also on placement in the job market. We appear to all the students to be part of Damak Multiple Campus to develop professionalism, entrepreneurship and leadership skills. Best regards

HEF 830

Introduction

Damak Multiple Campus, founded in 2038 BS, is one of the leading public campuses in the nation. It is affiliated to Tribhuvan University, the largest university in the country. It is a landmark in the academic field having its own glorious history of over four decades. Damak Multiple Campus is located at Campus Mode, Ward NO. 09 of Damak Municipality. DMC is the first Quality Assurance Accreditation (QAA) certified community campus in the eastern region (2012 AD) and second in Nepal. The campus was re-accredited the second time by UGC, Nepal in 2017 AD. It is a non-profit community campus that caters higher education to the students. The campus has separate +2 programs in Science, Management, Humanities and Education. It also conducts bachelor's degree programs such as BSC, BBS, BBA, BCA, BSW, BA, and BED and master's degree programs in Management (MBA), Humanities (MA, Economics) and Education (MED, English and Nepali). Now the campus is going to launch BSC CSIT and other market-driven programs in the near future.

Damak Multiple Campus was awarded the QAA certification by UGC, Nepal for its contributions made to the students and the communities in general. The campus meets standards of quality education, fulfils certain policies and procedures of delivering services to the local communities. The campus generates not only skilled manpower but also business entrepreneurs, professionals and social workers. It has highly qualified, experienced and motivated teaching faculties who stimulate the students for academic excellence. DMC promotes the sense of common responsibility, honesty and integrity among the students.

Campus receiving re-accredited Award- 2074

Vision

National leadership to ensure quality education, academic excellence and professional development

Mission

DMC is committed to prepare highly qualitative, skillful and globally competent professionals with the help of advanced technology and research-based academic activities with proper utilization of its manpower and resources.

MoU in NEHEP Program at UGC

83

QAA Certificate 1st

Our Commitment

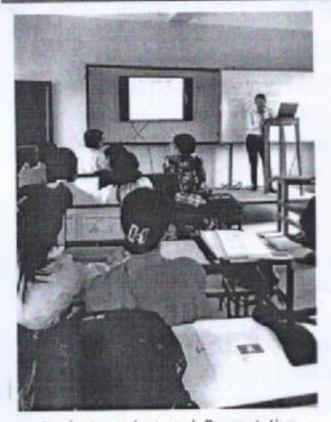

DMC is fully committed to cater quality education to its students as per growing requirements of highly skilled and knowledgeable manpower with good expertise in the competitive market. The campus focuses on research work, project work, self-learning and exploring the global issues. The campus opens new avenues for the students to deal with the changing environment.

UGC Team at DMC

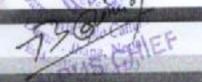

Receiving Award of Best Business college of Province 1

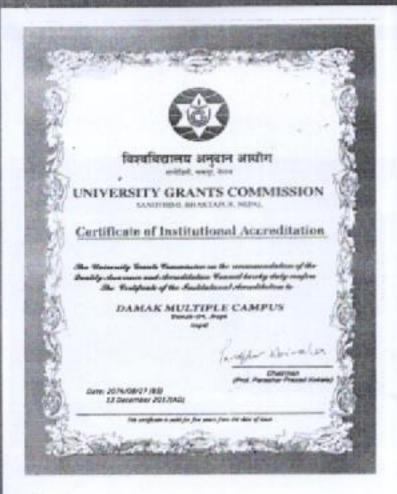

Students project work Presentation

Our Objectives

- * To impart innovative and cognitive teaching-learning procedures
- To create a conductive environment for the development of professionalism, business leadership, and entrepreneurship
- * To cultivate mutual relations with communities and stakeholders
- * To introduce professional, market-driven, and technical programs as per growing needs in the job market
- * To enhance efficiency of teaching and non-teaching staff
- * To pursue and improve quality education
- To engage in workshops and research activities
- * To focus on gender equity issues
- * To establish sustainability and financial viability
- To update the Management Information Systems (MIS) to improve its documentation and recordkeeping procedures
- * To improve financial aids for meritorious, unprivileged, disadvantaged groups of students, women and others
- To promote efficiency and effectiveness in campus administration

QAA Certificate 2nd

Celebration after 100% result in BBA

Reasons to Choose DMC

- * The first QAA certified campus in the eastern region of Nepal
- * Quality education, comfortable and homely environment
- * Affordable fee structure, a non-profit academic institution
- * Facilities of free studentship, scholarships
- * Highly qualified, experienced and dedicated teaching faculties
- * Well-equipped science labs for Physics, Chemistry, Biology, Environment Science and computer labs
- * Comprehensive infrastructure, spacious and well-furnished classrooms
- Updated library with adequate teaching-learning materials, newspapers, magazines, separate study rooms with the Internet access
- Extracurricular and co-curricular activities, quizzes, symposiums, speech competitions etc.
- Provision of internship, trainings, case-study, participation in seminars and conferences
- Regular publication of journals, magazines by the teachers and the students for the development of skills
- * Provision of monthly tests, class tests, terminal tests, remedial classes
- * Introduction of non-credit courses for higher level students
- * Use of modern innovative technology, smart boards, audio-visual classes, E-classes, Zoom-classes, projectors
- * Research and practice-based education, project work, field visit and educational excursion
- * Medical care and health check-ups
- * Master's degree programs in MBS, MA, MED
- * Spacious, neat and clean canteen

Admission Procedure & Scholarships

- * Those students who have passed +2 level examinations in various faculties (Science, Management, Humanities, Education) should undergo entrance examination prior to admission for bachelor's degree in the respective faculty.
- * The students who have passed the bachelor's degree in the respective faculty will be eligible for master's degree programs
- * 5% scholarships are available to the students of bachelor's level in the first year and 10% scholarships are available for the rest of the years.

Project Meet Program

Strength

Campus Team after Re-accreditation Award, UGC

The great strength of Damak Multiple Campus is the trust, goodwill and positive attitude of the communities, students, stakeholders and academicians towards it. Their strong support for all-round development and growth of the campus is quite commendable. Inclusive Management Committee, mutual cooperation and co-ordination, communication transparency, decentralization of duties and responsibilities among all the stakeholders are our strength. Similarly, effective monitoring system of overall activities and the system of academic audit for quality assurance are some of the good practices of DMC. It has developed a close link with other institutions, organizations, hospitals and financial sectors.

DMC has a team of highly qualified, dedicated and experienced teaching staffs who are involved in conducting research works and publishing their articles on regular basis. The teachers instil practical knowledge and ideas in students. They promote self-dependence, focus on student-centered pedagogy and prioritize practice-based learning.

Code of conduct for students

- * All the students must undergo the entrance examination prior to getting admission
- * They should choose faculties and subjects as per their choice, interest and capability
- * The students must have at least 80% attendance in the class
- Uniform is mandatory on campus premises
- * They shall not violate the 'code of conduct' set by the campus
- * The students shall not breach rules and regulations, peaceful environment of the campus

Uniform

For BSC / BBS / BA / BED students

Student's Voice

After completing +2 level in Science, I had an aspiration to achieve a broader goal in the field of my interest. So, I decided to join Damak Multiple Campus. Now I feel myself to be blessed. DMC assisted me to explore my potential. Quality education at affordable cost, friendly environment, dedicated teaching faculties, well-equipped science labs, updated library, good management system, extracurricular activities, participation in departmental seminars and conferences, science exhibitions, research works, field visits and extracurricular activities are some of the good practices and experiences at DMC. I am truly proud to be a student of this campus and I like to welcome all the students who have passions to explore and extend their knowledge and want to experience true academic flavours at DMC.

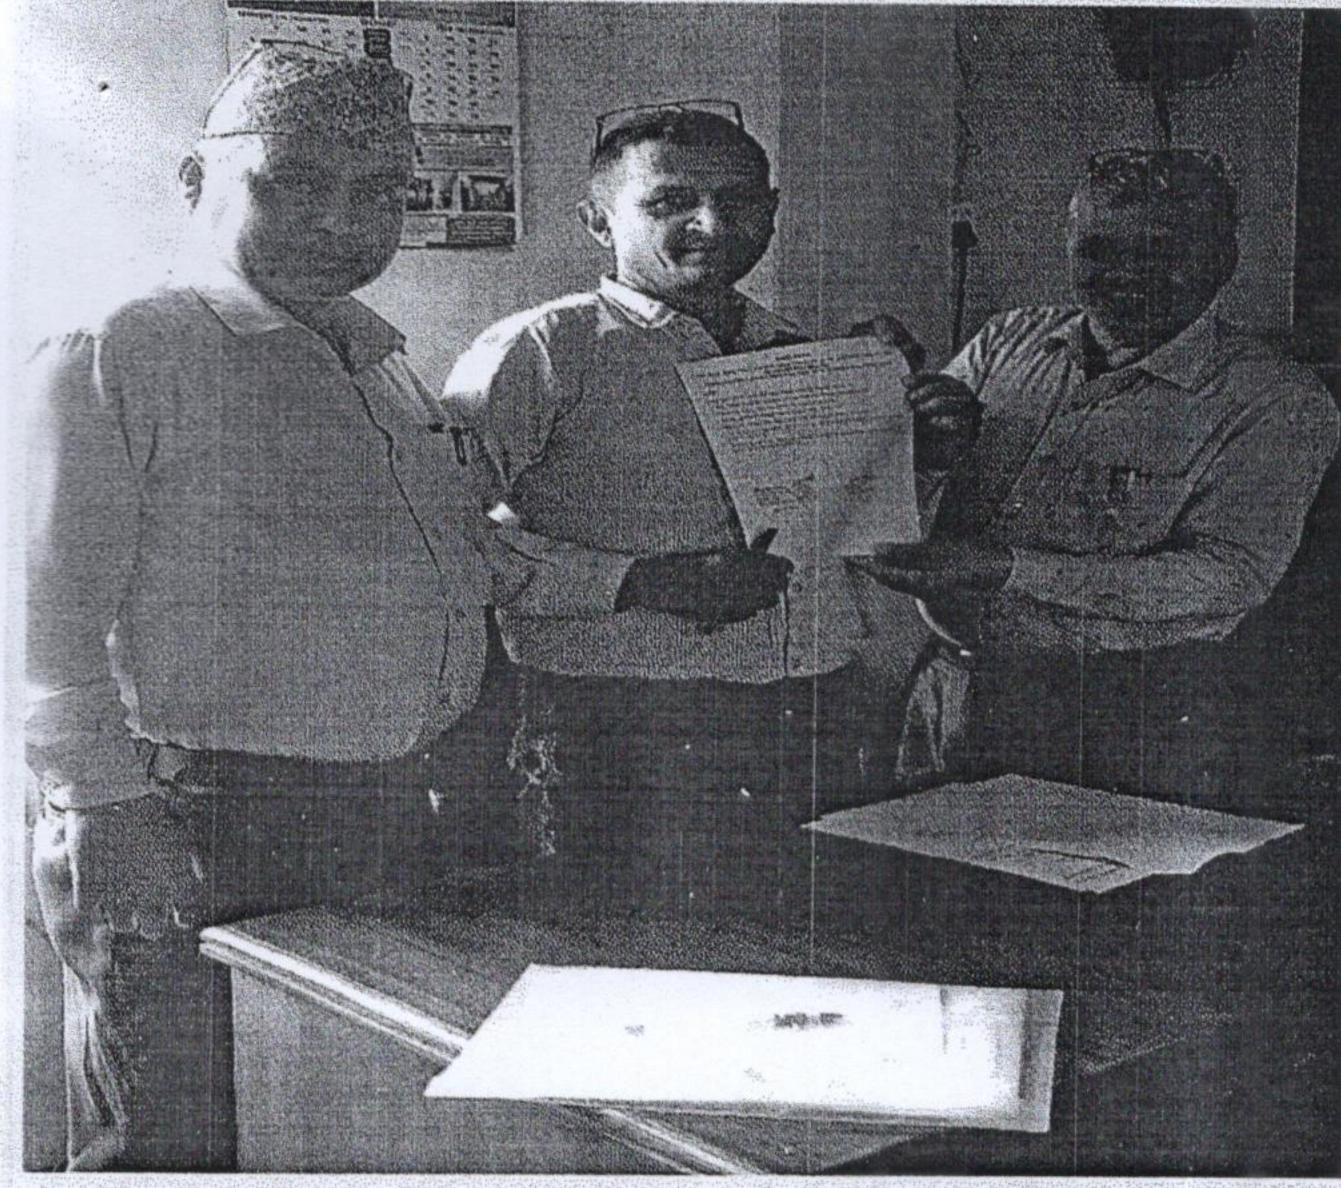

Sita Khadka B.Sc. 4th year Topper

Damak Multiple Campus, a prominent and leading community campus, has proved itself to be one of the best campuses in the eastern region of Nepal. It helps them seek and reach the height of success. I personally felt the presence of highly talented and motivated faculty members who always support the students to bring out the best in them. The campus provides practice-based knowledge to them in the open and multi-cultural environment built on the core values of integrity, responsibility and dignity.

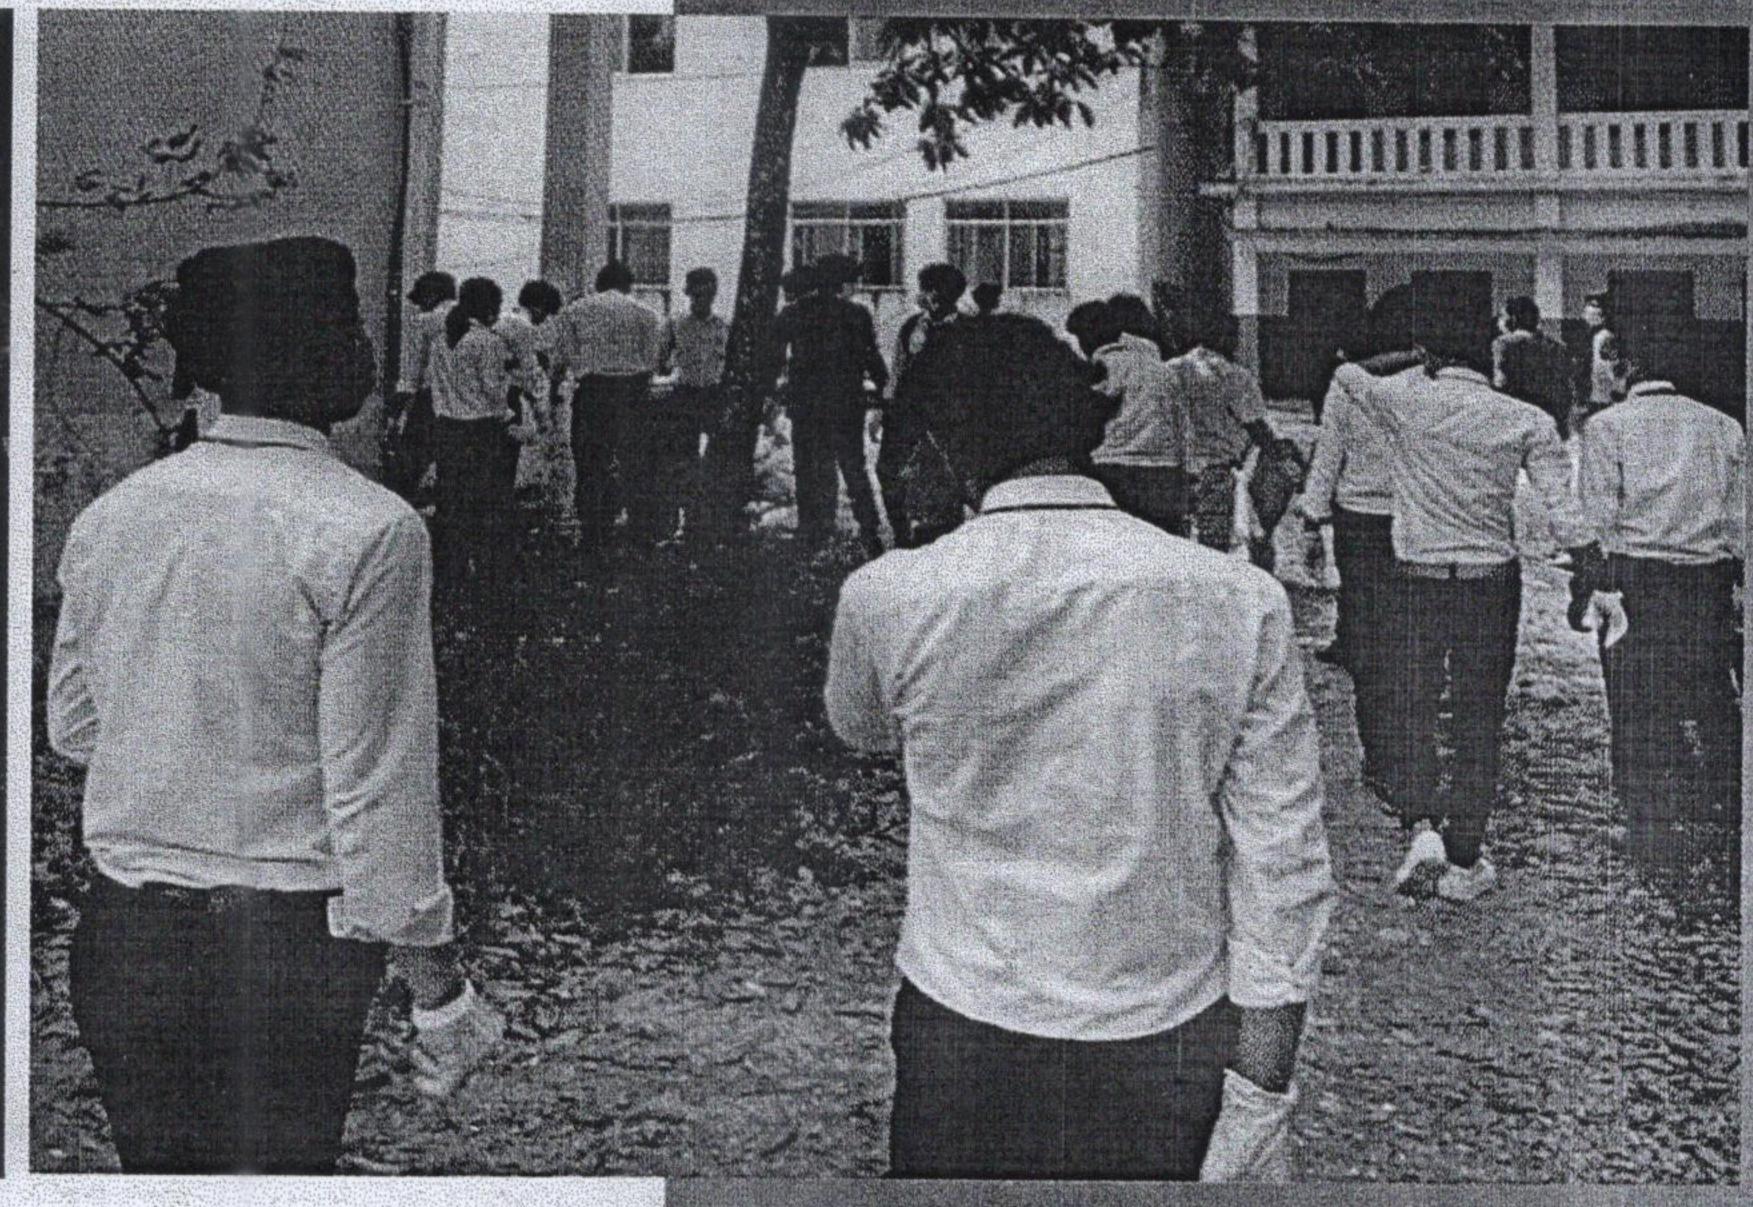

Aman Kattel BBS 4th year Topper

I personally consider DMC as the best academic institution in the region. It imparts quality education apart from extra-curriculum activities. I found the teachers extremely qualified, experienced, energetic, cooperative and friendly in manners. The campus has all sorts of facilities needed to the students. It enhances their creativity, knowledge and reasoning capability. Its beautiful and healthy environment has made the campus really an ideal academic institution for the students.
