

Curriculum Vitae

Name : LOKENDRA CHEMJONG
Father's name : KULMAN CHEMJONG
Date of birth : 2039-08-19 (B.S.)
Citizenship no. : 97735151
Language known : Nepali, English, Hindi, Limbu
Gender : Male
Nationality : Nepalese
Marital status : Married
Religion : Kirat
Temporary address : Damak-05, Jhapa
Permanent address : Shivasatakshi-01, Jhapa
PAN : 104418181
Contact no. : 9841930035 / 9804960495
Email address : lokendrachemjong3@gmail.com
Qualification :

S.N.	Board/ University	Institution	Year (B.S.)	Division
1	S.L.C	Shree Laxminarayan Secondary School, Shivasatakshi	2055	First
2	I. Sc.	Central Campus of Technology, Hattisar	2058	Second
3	B. Sc.	Tri-Chandra Multiple Campus, Ghantaghar	2064	Second
4	M. Sc.	Patan Multiple Campus, Patan Dhoka	2066	First

Experience and Trainings:

- Working as a full time Physics lecturer in Damak Multiple Campus since 2069 B.S.
- Participated three days' orientation program of first year of four year B.Sc. course in Physics organized by IOST, TU held from Feb 9 to 11, 2013 in Biratnagar.

- Participated three day orientation programme of second year of four year B.Sc. course in Physics organized by IOST,TU held from Paush 6 to 8, 2070 in Chitwan.
- Participated in a week teacher training programme on Physics subject organized by Curriculum and Training Division, Higher Secondary Education Board in Jhapa from April 14 to 20, 2015.
- Participated in National Workshop on Active Learning in Optics and Photonics held from June 16 to 20, 2016.
- Worked as a Head of Department, Physics from 2073-09-04 to 2074-05-30.
- Participated in the National Workshop on Mathematical Modelling and Scientific Competing with Differential Equation jointly organized by Department of Physics and Mathematics held from June 17 to 21, 2017 at Damak, Jhapa.
- Participated on the Workshop Computational Physics and Research Writing, Biratnagar, Nepal organized by Nepal Physical Society, Eastern Chapter from June 4 to 8, 2018.
- Participated in three days' workshop on Research Methodology and Article Writing from June 10 to 12, 2018 organized by Research Management Cell, Damak Multiple Campus.
- Participated in Training program on Training Course for Physics Teachers to Introduce Nuclear Science and Technology organized by Department of Physics and Mathematics held from June 19 to 23, 2022 at Damak, Jhapa.
- Participated in seven days' workshop in Capacity Development Training organized by Damak Multiple Campus from 2081-11-26 to 2081-12-03 under the Digitalization Program supported by University Grant Commission, Nepal.
- Participated in 3 days' training on Digital Literacy and Research Methodology organized by Damak Multiple Campus from 2082-02-02 to 2082-02-05 under the Capacity Development Training supported by University Grant Commission, Nepal.
